

Life Skills Music

Students will be engaged in a variety of music making activities using drums, percussion instruments, handbells, body percussion and movement.

There are 5 outcomes for Music in the Delta District Fine Arts document. Each is worth 20%

A - Demonstrate an enjoyment and/or appreciation of a performance of music

B - Demonstrate a preference for different types of music

C - Participate in simple musical activities

D - Participate in a musical performance

E - Develop a skill in playing an instrument or singing

1. keeping time on a rhythm instrument with a recording
2. keeping time on a rhythm instrument without a recording
3. echoing a rhythm
4. maintaining a rhythm with a single part
5. playing boom whackers and bells on cue
6. performing a solo on djembe

Outcomes A, B, C, D, are assessed through observation of the student by the teacher.

Students achievement for E will be reflected using the following rubric:

5 - Performs the skill independently

3 - Performs the skill with assistance
