Play For Me A Simple Melody – Irving Berlin/Shaw

<https://www.youtube.com/watch?v=Cq4QZT8W10Q>

Verse 1

Won't you play a simple melody
Like my mother sang to me
One with a good old-fashioned harmony
Play a simple melody

Verse 2 + V1

Musical demon, set your honey a-dreamin',
Won't you play me some rag
Just change that classical nag, to some sweet beautiful drag
If you will play from a copy of a tune that is choppy
You'll get all my applause
And that is simply because I wanna listen to rag

Verse 3

My heart is palpitat'n from all this syncopation
When I hear a band
And when I'm with my honey, My feet start actin' funny
When I hear a band
It's really nor surprisin', my temp'rature keeps risin'
When I hear a band.
So pardon all my swoonin', my crazy way of croonin'
When I hear a band.

All 3 verses at the same time!

A Million Dreams – The Greatest Showman/Voices of Hope

<https://www.youtube.com/watch?v=-lIYph8vArc>

Solo 1 (*must be an older student with a lower voice*)

I close my eyes and I can see
The world that's waiting up for me
That I call my own
Through the dark, through the door
Through where no one's been before
But it feels like home

Solo 2

They can say, they can say it all sounds crazy
They can say, they can say I've lost my mind
I don't care, I don't care, so call me crazy
We can live in a world that we design

Chorus – (tutti)

'Cause every night I lie in bed (Ev....'ry night)
The brightest colors fill my head (A Mill...ion)
A million dreams are keeping me awake (A million dreams are keeping be awake)
I think of what the world could be (Could be)
A vision of the one I see
A million dreams is all it's gonna take

(Opt. Solo)

A million dreams for the world we're gonna make

Bridge

However big, however small
Let me be part of it all
Share your dreams with me
You may be right, you may be wrong
But say that you'll bring me along
To the world you see
To the world I close my eyes to see..

[Chorus]

SOLO: 'Cause every night I lie in bed
The brightest colors fill my head
A million dreams are keeping me awake (A Million Dreams, A Million Dreams)

I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take

For the world we're gonna make
