

Children Will Listen

How do you say to your child in the night?

Nothing's all black, but then nothing's all white

How do you say it will all be all right

When you know that it might not be true?

What do you do?

*Careful what you say.

Careful the things you say

Children will listen

Careful the things you do

Children will see..... And learn

Children may not obey, but children will listen

Children will look to you... For which way to turn

To learn what to be

Careful before you say "Listen to me"

Children will listen

Careful the wish you make

Wishes are children

Careful the path they take

Wishes come true,..... Not free

Careful the spell you cast

Not just on children

Sometimes a spell may last

Past what you can see

And turn against you

Careful the tale you tell

That is the spell

Children will listen
